SUMMARY

A dedicated JavaScript Developer with experience in developing interactive web applications. Skilled in using JavaScript, HTML, and CSS to build responsive and interactive web applications. Experienced in developing personal projects using frameworks and libraries such as React.js, Express.js, and Node.js. Highly motivated to continuously learn and contribute in an innovative and collaborative development team.

EXPERIENCE

IT Programmer

09/2024 - Present

PT. Autorent Lancar Sejahtera ↗

- Developed internal web modules using Node.js, Express, React, and SQL Server to improve operational workflows.
- Built a Python desktop app (.exe) for automated barcode/label printing with GUI and printer integration.
- Created and maintained REST APIs for timesheet processing, validations, and business logic automation.
- Collaborated with teams to troubleshoot and enhance React Native mobile applications

Internship Human Resource

10/2023 - 06/2024

UNIVERSITAS KRISTEN KRIDA WACANA ↗

- Conducted data analysis for the human resources department.
- Created content and designs to enhance engagement.
- Managed and updated employee databases using HR management systems.

Teaching Assistant

09/2023 - 06/2024

UNIVERSITAS KRISTEN KRIDA WACANA ↗

- Taught Object-Oriented Programming (OOP) with Java.
- Assisted students in understanding basic OOP concepts and their implementation in projects.
- Taught database programming with SQL for extracurricular activities at SMA Kalam Kudus and SMA Mater Dei.

Internship Mobile Apps Developer & Web Developer

03/2023 - 09/2023

PT ESKALINK ↗

- Developed and troubleshooted Android applications and web development.
- Collaborated with the design team to create responsive and user-friendly interfaces.
- Used Git and GitLab for version control and project collaboration.
- Implemented new features and fixed bugs using Flutter, Java, JavaScript, React.js, and Node.js.

School Teacher

03/2022 - 06/2022

YAYASAN SINAR CAHAYA KASIH ↗

- Instructed students in Python programming.
- Assisted learners in grasping fundamental logic principles.
- Developed instructional materials and practice exercises to enhance the learning experience.

EDUCATION

Informatics Engineering09/2020 - 09/2024

UNIVERSITAS KRISTEN KRIDA WACANA - Bachelor's Degree

CERTIFICATES

- Java Programming07/2022 - Present

ORACLE ACADEMY

Completed comprehensive training in Java Programming, covering core concepts such as object-oriented programming, data structures, and algorithms.
- Database Programming with PL/SQL06/2022 - Present

ORACLE ACADEMY

Completed comprehensive training in Database Programming with PL/SQL, covering advanced topics such as procedural language constructs, database triggers, and stored procedures.
- Java Foundations01/2022 - Present

ORACLE ACADEMY

Completed comprehensive training in Java Foundations, covering essential concepts such as basic syntax, control structures, and object-oriented principles.
- Database Design01/2022 - Present

ORACLE ACADEMY

Completed comprehensive training in Database Design, covering key concepts such as data modeling, normalization, and entity-relationship diagrams.
- Database Foundation07/2021 - Present

ORACLE ACADEMY

Completed comprehensive training in Database Foundations, covering fundamental concepts such as relational database theory, SQL basics, and data management.

SKILLS

HTML	Advanced	React Native	Intermediate
CSS	Intermediate	Material UI	Advanced
JavaScript	Advanced	TailwindCSS	Advanced
Python	Intermediate	Bootstrap	Advanced
SQL	Intermediate	Express.js	Intermediate
Git	Intermediate	REST API	Advanced
Postman	Intermediate	Communication	Intermediate
Node.js	Advanced	Problem Solving	Advanced
React.js	Advanced	Team Management	Advanced

LANGUAGES

English	Intermediate	Indonesia	Native
